Re: Permit Review Status, RCS Salt Mine, M/039/002, Sanpete County, Utah

Dear Mr. Bosshardt:

On September 15, 1998, the Division received Redmond Clay & Salt Company's plan for the RCS Salt Mine mine. Due to a backlog of other permit reviews, the Division has not been able to complete a review of this plan within the usual 30-day timeframe. We apologize for the delay and any inconvenience this may cause you.

We hope to complete our review of your application within the next 45 days. We appreciate your patience and understanding in this regard. Please contact me if you have questions or concerns with this proposed review schedule.

Sincerely,

Lynn Kunzler  
Senior Reclamation Specialist
